You are allowed to wear a costume when participating in this 5K. However, your costume cannot include a face mask. Anyone seen in violation of this will be removed from the course. If your costume is questionable or offensive to others, we reserve the right to have you change into something more appropriate or remove you from the event completely.

WEATHER

The race will be held rain or shine. If there is lightning in the area, the race will either have a delayed start or depending on the intensity of the weather, be cancelled. The determination will be made by the Event Management staff.

The Walt Disney World® Resort Lightning Policy is as follows:

Event operations will shut down when lightning is 10 miles out from the event areas. Event operations will not resume until the lightning is 10 miles out and moving away from the event areas. The *Flash to Bang Rule* and weather radar will be used to determine this. The Sports Manager will consult with the Theme Park Partners and Walt Disney World® Security on a course of action to utilize the operational rain plan, delay the event, or cancel the event.

Flash to Bang Rule is applied by measuring the time (in seconds) between a visual lightning "Flash" and hearing the resulting "Bang". This time is then divided by a factor of "5" to obtain distance in miles. For example, 50 seconds between "Flash" and "Bang" divided by "5" equals 10 miles.

As a reminder, the registration fees are non-refundable and non-transferable.

PHOTOGRAPHERS

ASI photographers will be on the course and at the finish line taking pictures of you during the race. Please wear your bib number on the front of your shirt. Please visit asiorders.com after the race to view your photos. Photos usually take 2-3 days to be loaded onto the website. You will need your race number to access your photos.
